# Tips to help you

## Millions of Passengers Chose Air Travel

Airports across the country are experiencing an increase in flight activity which is causing congestion with traffic flowing in and out of airport parking areas. While some airports are choosing to charge excessive premiums for parking spaces, Charlotte Douglas International Airport (CLT) is taking a proactive approach with SmartPark, a comprehensive parking awareness program designed to alleviate traffic congestion at the Airport, improve safety and limit overall inconvenience.

## Be Prepared, Learn Your Options

The following options and tips can assist you in making your airport experience a pleasant one. If you are flying out of CLT, or dropping off or picking up a passenger, you should:

**Be Prepared:** Allow more time to park, especially on the peak travel days (Tuesday, Wednesday, Thursday). Additionally, Sundays and days preceding and following holidays are exceptionally busy.

**Stay Informed:** Visit [www.charlotteairport.com](http://www.charlotteairport.com) or call 704-FLY-5555 for Current Parking Conditions.

Congested Parking Conditions,  
Expect Delays

**Follow the Lead:** CLT Parking Attendants are stationed in lots to assist you during peak times and provide you with information about where to park and which lots are currently filled to capacity or closed.

**Learn Your Options:** Know which parking option is best for you.

## CLT Parking Attendants

As part of our SmartPark program and efforts to provide you with convenience when parking at CLT, we have stationed several Parking Attendants in our lots during peak travel times.

*Complimentary assistance* with dead batteries, lockouts and lost vehicles is provided in all parking facilities. The service can be requested by contacting any member of the parking staff, including shuttle drivers. Emergency phones are located throughout the parking decks and may be used to request services.

*Accessible parking spaces* are available in Hourly, Daily and Long Term parking. Disabled travelers parking in Hourly parking for 24-hour period will be charged the Daily parking rate. If you have special needs, please contact Airport Parking at 704-359-4038.

CLT asks that you please be patient during extended lines for parking, pay extra attention to pedestrians and take advantage of our parking options and tips to lessen your frustration or delays.

## Thank you for Flying—and Parking Smart!

Charlotte Douglas International Airport is owned and operated by the City of Charlotte and currently ranks as the nation's 18th busiest airport, moving over 29 million passengers in 2006. CLT has more than 23,500 public parking spaces. During this time of record-breaking air travel, we urge all of our passengers, visitors and parkers to drive safe—and park smart!
