

MECKLENBURG COUNTY
Code Enforcement

**Mechanical Equipment Replacement
Declaration**

Plans for Equipment Replacement may not be required provided that:
(✓ the appropriate)

- No new electrical circuits or service change required.
- No new extensions of existing electrical circuits required.
- No changes in wire size required (increase).
- No change in equipment load.
- No duct changes except minor duct transition.
- No alteration or addition of gas piping between service connection and gas cock.
- No relocation of equipment, (i.e., exterior ground to roof, building interior to building exterior, etc.).
- No change in energy type, (i.e., electric to gas or fossil fuel, etc.)
- No change in equipment BTU's from existing to replacement.
- New equipment complies with NC Energy Code (2002), Section 503.

The *failure* to ✓ all of the ***shall*** require the submission of plans to *Code Enforcement Commercial Building Permit Department* for approval. ***This form serves for both the Mechanical and Electrical permits on this change out project.***

If you are uncertain on any of the above conditions, call CTAC (704-336-3829), Philip Edwards (336-3555), or Gerald Harvell (336-3523) to confirm a “YES” or “NO” to your particular installation.

To the best of my knowledge, ALL of the above information is accurate and complete. I understand that any false statement may result in the revocation of this permit.

Signature: _____ Permit Number _____

Note: Inspector's discretion may require contractor to present load calculations.
