

WELL CONTRACTORS TRAINING SEMINAR

FOR ALL CERTIFIED WELL CONTRACTORS & WELL PUMP INSTALLERS

Mecklenburg County Health Department/Groundwater & Wastewater Services is conducting an educational seminar for all certified well contractors and pump installers.

The focus of the seminar is to provide an update of state and local well regulations, informative sessions on water supply well topics, to provide an opportunity for questions & answers and to meet county health department staff.

In addition, all participants will be eligible for 7.5 professional development hours (*as approved by the NC Well Contractors Certification Commission*).

HIGHLIGHTS

- Common groundwater contaminants and their sources—*Mecklenburg County staff*
- Installation of geothermal systems—*LothridgeGeo*
- Fire safety—*Mecklenburg County Fire Marshal Office*
- Spill containment and cleanup—*Spectrum Environmental*
- Understanding monitoring well permitting, installation & abandonment—*SAEDACCO*
- Cleaning & rehabilitation of water supply wells—*The Water Specialist*
