Filing Information

• Privilege license is annual and effective July 1st through June 30th.
• Privilege license applications are due July 1st.
• If the license is based on gross receipts (Schedule A - classification code 105), list gross sales for your last tax year. New businesses and/or businesses that have not been in business 12 months, must give a good-faith, 12-month projection of their gross receipts.
• Verify all classifications through the Classification Codes for Privilege Licenses (p. 4 – 6) to ensure your business has been properly taxed. (Note: If your license contains multiple classifications, and one classification requests gross sales/receipts, do not report revenues for classifications with set fees including beer and wine sales.)

   Please contact the Mecklenburg County Tax Assessor’s Office to determine if the Business Personal Property Tax or Real Estate Tax is applicable.

3. **How much does a license cost?**

   Taxes vary depending on the type of business. Many types of businesses are taxed based on gross receipts at a rate of $0.60 per $1,000 (minimum tax paid is $50.00, maximum tax paid is $10,000); or may be based on flat tax rates, or both gross receipts and flat tax may apply. **PRORATION:** If a business is begun after December 31 and before July 1 the amount of tax due is half the amount otherwise due unless otherwise provided. Please refer to the *Classification Codes* for taxes that cannot be prorated. Charlotte City Code (Sec. 13-31)

4. **Can you waive the penalties for a Privilege License?**

   Per Chapter 13, Section 43 of the City of Charlotte Ordinance, penalties are considered additional tax and cannot be waived.

5. **I have multiple businesses located within the City of Charlotte; do I pay a license fee for each?**

   Yes; each business location must be licensed separately and all applicable taxes must be paid.

6. **What is the penalty if my renewal is not filed by the deadline?**

   Your business is subject to a 5% additional tax each month, of your total license tax amount, until paid in full. Maximum penalty is 25%, with a minimum being no less than $5.00.

7. **How can I find out if my business is located within the City of Charlotte corporate limits?**

   To verify that your business is located within the City of Charlotte’s corporate limits, please call the Zoning Enforcement Division at 704-336-7600 or log on to charmeck.org (Departments/Tax Collector/Real Estate Look Up).

8. **Can I pay online?**

   Yes. Please have your account and PIN available as both are required to pay online. Go to http://paytax.charmeck.org to pay online.

9. **Where can I find resources for starting and running a business in Charlotte?**

   You can access this information at www.charlottebusinessresources.com.

10. **Do I need a federal tax identification number?**

    Contact the Internal Revenue Service at 1-800-829-1040 for more information.

11. **Is a Federal Tax identification number the same as a Sales Tax identification number?**

    No. The North Carolina Department of Revenue issues the State Sales tax identification number and the Internal Revenue Service issues the Federal tax identification number. For more information about the state sales tax number, call 704-519-3000 and for information about the federal tax number call 800-829-1040.

12. **Do I need a state or federal identification number before getting my local license?**

    No, neither of these identification numbers will prevent you from acquiring a privilege license.

13. **How do I apply for a Beer and Wine license?**

    You must have an ABC permit, issued by the North Carolina Alcoholic Beverage Control Commission, before we can issue a local Beer/Wine/Mixed Beverage license. Their office is located at 3333 North Tryon Street Charlotte, NC 28202; they also can be contacted at 704-525-3784. Once we review the permit, a Beer and Wine license account can be set up, as well as a Prepared Food and Beverage account, in some cases.

14. **What do I need to bring with me when I come to the Business Tax Collections office?**

    Bring a government-issued picture identification, Bill of Sale/Purchase agreement (if business has been sold), Beer and Wine permit (for new businesses/ name or address change), letter from the Taxi Cab Inspector (for new drivers or if they changed cab companies), a 12-month estimate of gross receipts if applicable, a utility bill, a commercial lease agreement, or other pertinent documents that pertain to the business.

15. **What is a PIN?**

    PIN stands for personal identification number. The purpose of the PIN is to protect each taxpayer’s privacy and confidentiality with their tax information. Your PIN will be required when you call the tax office to discuss your account or to pay online.

16. **Do I need to register my business name?**

    Yes. Business names need to be recorded with the Register of Deeds per NCGS 66-68. It is recommended that you do this before applying for a business license.

Any business entities that are listed as a business corporation, nonprofit corporation, or limited liability company must be authorized to transact business in this state by the North Carolina Secretary of State. If your business is registered in another state and you wish to obtain a local privilege license under one of those designations you need to contact the North Carolina Secretary of State to obtain a Foreign Entity registration. This is awarded to a business whose address is identical to the registered office which is located in another state.
